Warranty

The manufacturer warrants this light fixture against defects in materials and workmanship for a period of two (2) years from the date of purchase. If within this period the product is found to be defective in material or workmanship, the product must be returned with a copy of receipt as proof of purchase to the original place of purchase.

The retailer will, at its option, repair, replace or refund the purchase price to the original purchaser. Warranty does not include damages due to misuse, accidents, improper handling and/or installation, incidental, or consequential damages. As some states do not allow exclusions or limitations on the implied warranty, the above exclusions and limitations may not apply. This warranty gives you specific rights and you may also have other rights that vary from state to state.
